

Pediatric Feeding Community

December 2023

Dear Valued Community Member,

We would like to invite you to join us as an exhibitor and/or sponsor for the 2024 Pediatric Feeding Symposium, scheduled for September 12-13th at the Salt Lake Community College in Sandy, Utah. We believe that your company is a beneficial resource in the Pediatric Feeding Community and would like you to consider becoming an exhibitor and/or sponsor for this pediatric feeding disorder conference and community.

The Pediatric Feeding Symposium offers a chance for providers and caregivers to connect and gain valuable education with an opportunity to earn continuing education credits. Our first annual symposium was held in 2018 and we had over 100 attendees. Our second symposium was in 2019 and included 10 local speakers from a variety of professions who work with children with feeding disorders. Since its origins these conferences have run similarly.

Our symposium is run and financed by parents and not by an organization (hospital, large business, etc). If you are interested in being an exhibitor or sponsor please visit our Sponsors Page: <http://pedfeed.org/sponsors/>

Parents dealing with Pediatric Feeding Disorders (PFD) can feel lost and alone. Medical providers do not always know who to reach out to for more support or whom to refer their patients to. Fortunately, there are a lot of resources now and we believe in connecting these resources and providers for the benefit of children with feeding disorders.

We hope you will connect with our Pediatric Feeding Community!

Best regards,

Carrie Greenberg

Carrie Greenberg
Pediatric Feeding Community Director
