

Media Kit for the Pediatric Feeding Community

About Us

[PedFeed.org](https://pedfeed.org) is a hub for pediatric feeding professionals, caregivers, and advocates dedicated to improving outcomes for children with pediatric feeding and swallowing disorders. We support the field through education, community-building, and the promotion of best practices grounded in research and clinical expertise.

Our Platform Encompasses

- **PedFeed.org** – an online resource for evidence-based content, connection and continuing education.
- **Pediatric Feeding Community** – our active and engaged social media presence promoting connection, collaboration, and learning.
- **Pediatric Feeding Symposium** – an annual medical conference that brings together leading voices in pediatric feeding and swallowing disorders for up to date research, clinical training, and interdisciplinary dialogue.

PEDIATRIC FEEDING SYMPOSIUM

Overview

The Pediatric Feeding Symposium is a premier **annual conference** focused on the four domains of Pediatric Feeding Disorder (Medical, Nutrition, Feeding Skill, Psychosocial) and interdisciplinary intervention. The event brings together clinicians, researchers, educators and parents from across the United States for the benefit of patients and caregivers.

2026 Symposium

Date: Sept. 17th & 18th, 2026

Location: In-person in Sandy, UT + Virtual Access

Speakers: Speech Therapists, Gastroenterologist, DDS, Occupational Therapist

Panels: Parent Panel, Multidisciplinary Panel

Attendees: ~100

Breakfast, Lunch and a Snack Provided

Topics Include: Applying the Four Domains of PFD through case studies, strengthening clinical reasoning, using family-centered treatment approaches, addressing gastrointestinal and oral health concerns, incorporating sensory supports, involving siblings in care, and improving feeding and swallowing services in school settings.

Continuing Education Opportunities

- American Speech and Hearing Association (ASHA)
- Utah Occupational Therapy Association (UOTA)
- American Physical Therapy Association (APTA)
- Academy of Nutrition and Dietetics

Others Pending
